

# Guidance on the Proper Use of Gas Leaf Blowers

## ■ Dust

- Don't use for moving dusty materials
- Don't point in direction of people or pets
- Use  $\geq 50$  feet away from people

## ■ Noise

- Run blowers only at RPMs needed
- Don't use full throttle in residential areas
- Don't use  $>1$  blower at a time

## ■ Time

- Don't use late in the evening or early in the morning

## ■ Other

- Don't use on a ladder, roof, tree or other unstable surface
